Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 10 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with rain, mainly over the hills.

This Evening and Tonight:
Cloudy and becoming windy with fog, rain and drizzle over the Pennines. Generally drier with perhaps the odd clear spell further east. Cold but largely frost free. Minimum temperature 1 deg C (34 deg F).

Monday:
Staying mostly cloudy and windy, with further heavy rain and fog over the hills. Drier to start further east, with rain becoming more widespread later. Becoming slightly milder. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Tuesday, cold again and dry after early cloud clears south. Sunny spells developing. Wednesday, rain and possible transient snow and ice risk. Thursday, breezy with coastal showers, drier later.
